FORT MORGAN RECITAL:

DATE: Friday, June 28th, 2019
TIME: 6:00 P.M. (please check in at 5:00 p.m. unless otherwise notified)
PLACE: Glenn Miller Auditorium, Fort Morgan High School

Dress Rehearsals: Glenn Miller Auditorium, FMHS --Thursday, June 27th, 2019, _____

This is complete dress. Please bring all costumes and shoes ready to wear. Have make-up on your child. Mothers, or a substitute mother, are required to be at rehearsal. There will be a lot of necessary information given out at this time! **DRESS REHEARSAL is mandatory to participate in the recital.**

Dressing Rooms: Dressing room assignments will be given at dress rehearsal. There will be competent people helping your children dress backstage. **We ask that you leave your children backstage through the whole performance. It is very disruptive to the audience having people going in and out of the auditorium and it is very difficult for us to keep track of all the children when parents remove them from the backstage. If you want your children to see the performance, please bring them to dress rehearsal. If you have questions, please contact me before dress rehearsal.**

Pictures: (optional) We will have Lasting Images taking pictures during rehearsal in the commons area. If you wish to take pictures with your own equipment, please do so at the rehearsals and not during the concert.

Videos: If you wish to video the recital, please do so in the front row of the balcony. We will be doing a video that can be purchased for \$15.00 and can be picked up at the studio the middle of August. If you want to order a DVD, please do so at the rehearsal with your payment. Make checks payable to Randy Finley.

Make-up: Make-up is to be worn at dress rehearsal AND the performance. Dark foundation is to be used, a bright eye shadow, a bright blush, and a bright shade of lipstick. Boys are to wear make-up also. If you feel uncomfortable about applying make-up, bring your make-up backstage when you check in and the dressing room attendants can do this.

Costumes: Listed separately is what your child will need for each dance. Most items come with the costume, but some you will have to purchase, such as tights. PLEASE MARK ALL ITEMS for identification (costumes, hats, gloves, shoes, etc.). All older children should have Capezio Teletone taps on their tap shoes, as it really sounds better on stage. Teachers will put elastic (if needed) and bows on girl's tap shoes in class, the week before recital. **Dream Whispers, 700 Main Street, in Fort Morgan, will carry the tights that you will need, and any other dance supplies.** Make sure your children wear **no underwear** beneath their costumes. There may be a small amount of work that has to be done to costumes (straps attached, a snap added, etc.) Instructions will be given when the costumes are distributed. If you have any questions, please contact me, because it is very important costumes look alike.
